DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

This application is in condition for allowance except for the outstanding double patenting rejection of claims 6-18 which would be obviated by the filing of an appropriate terminal disclaimer as acquiesced by applicant. Applicant is required to file such terminal disclaimer in response to this Office action. See additionally below.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Applicant's arguments filed June 7, 2004 are deemed to be persuasive. Accordingly, the rejection of claims 6-18 under 35 U.S.C. 103(a) is withdrawn. Upon the filing of a terminal disclaimer acquiesced by applicant, the outstanding double patenting rejection of claims 6-18 would be obviated and the application would be passed to issue. Prosecution on the merits is closed except for the formal matter of the filing of the terminal disclaimer indicated above.
